GON, A SHUSHIBARMANGA PROJECT

Raw : unknown

Translator : Yum22Yum23

Editor : Yum22Yum23

Quality Checker : AllCuRa

When amtt asked for this project, i couldn't help but wonder what kind of manga GON was, i was (and my laziness too) happily surprised by how much work it needed. Read this with interest, because the art is really good, and noone nows how to act when confronted with a T-rex.
